

BUSINESS CONSULT GROUP

"When you get stuck, you become increasingly unproductive. Let us help you break it down."

Led by founder **Oshi Kirk**, Business Consult Group has spent **18+ years** helping business owners, managers and leadership teams break through the barriers holding them back, delivering honest, no-nonsense coaching with measurable results, not vanity metrics.

CORE SERVICES

Business Coaching

Diagnose the obstacles holding your business back and build a tailored, actionable strategy to hit real targets and reignite productivity.

Leadership Coaching

Practical, hands-on capability building for new and experienced managers: delegation, decision-making, conflict management and team performance.

Communication Coaching

Sharpen difficult conversations, conflict resolution and everyday communication skills to lift morale, trust and team results.

WHO WE HELP

- ✓ Business owners and executives feeling stuck or unproductive
- ✓ Managers newly promoted into leadership roles
- ✓ Sales professionals wanting to sharpen influence and communication
- ✓ Leadership teams needing better conflict resolution and planning
- ✓ Individuals seeking honest, one-on-one professional coaching

Live via Zoom or face to face: choose the format that suits your budget and schedule.

WHY US

- ✓ No long-term contracts: flexible, month-to-month engagement
- ✓ Honest, direct feedback, not ego-pandering advice
- ✓ Focus on measurable progress over vanity metrics
- ✓ Military-honed discipline applied to real business problems

HOW IT WORKS

1

Alignment

Free 45-minute call to assess fit and goals

2

Discovery

Uncover the real obstacles and opportunities

3

Execution

Tailored coaching toward measurable outcomes

WHAT CLIENTS SAY

"Always there with great advice and mentoring which has helped myself so often."

Adrian Walsh, VP Business Development, Interiors Aeroservices

"Your style made the experience enjoyable, a little confronting at times, but challenged me to be a better leader."

Jarrod Poupard, Desk Manager, Stock Exchange
